

What do you need for giving birth in a hospital

- Toiletries, possibly lens and/or glasses
- Pyjamas
- Underwear
- Maxi-cosi
- Clothes for the baby (romper, shorts, sweater, socks, cap)
- Camera
- Care plan of the homecare organisation
- If necessary: medication
- If you are going to bottle feed: your own bottle (boiled)
- From your maternity package: cord ring and net panties
